NRRFP: education funds

25 November 2021

LUCA BRUGNARA
GIORGIO MUSSO

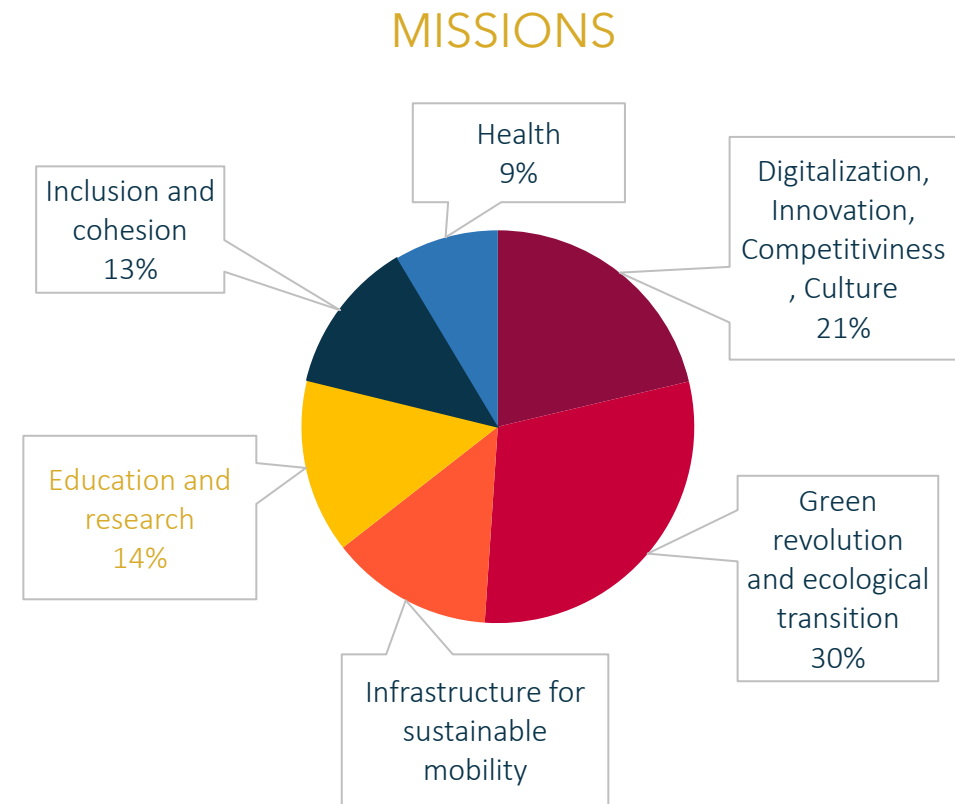

The three main NRRP's goals

- I. Boost the economic recovery after the pandemic crisis
- II. Support the green and digital transitions
- III. Fill the structural gaps with the other European Countries: among which, the **educational** one

NRRP: Resources and missions

	RESOURCES (billions)
Recovery and Resilience Facility	191,5
<i>(of which grants)</i>	<i>(68,9)</i>
<i>(of which loans)</i>	<i>(122,6)</i>
REACT-EU	13,0
Complementary Fund	30,6
TOTAL	235.1

Mission 4: Education and research

- Mission 4 (approx. 30 billions) is divided into 2 components:
 - Component 1 for strengthening the education system (approx. 19 billions)
 - Component 2 for research and technology transfer (approx. 11 billions)
- Component 1 is the part of NRRP mostly related to education and it is composed of:
 - 4 areas of interventions
 - 13 investments and 10 reforms
 - 11 milestones and 19 targets

Component 1: some details

Areas	Investments	Reforms	Milestones	Targets	Resources (bln)
Improvements in educational services	7	7	7	11	10,6
Recruiting processes and teachers' formation	1	2	3	2	0,8
Strengthening digital and technical skills	4	0	1	5	7,6
Tertiary education	1	1	0	1	0,4
TOTAL	13	10	11	19	19,4

Nursery Plan – main features

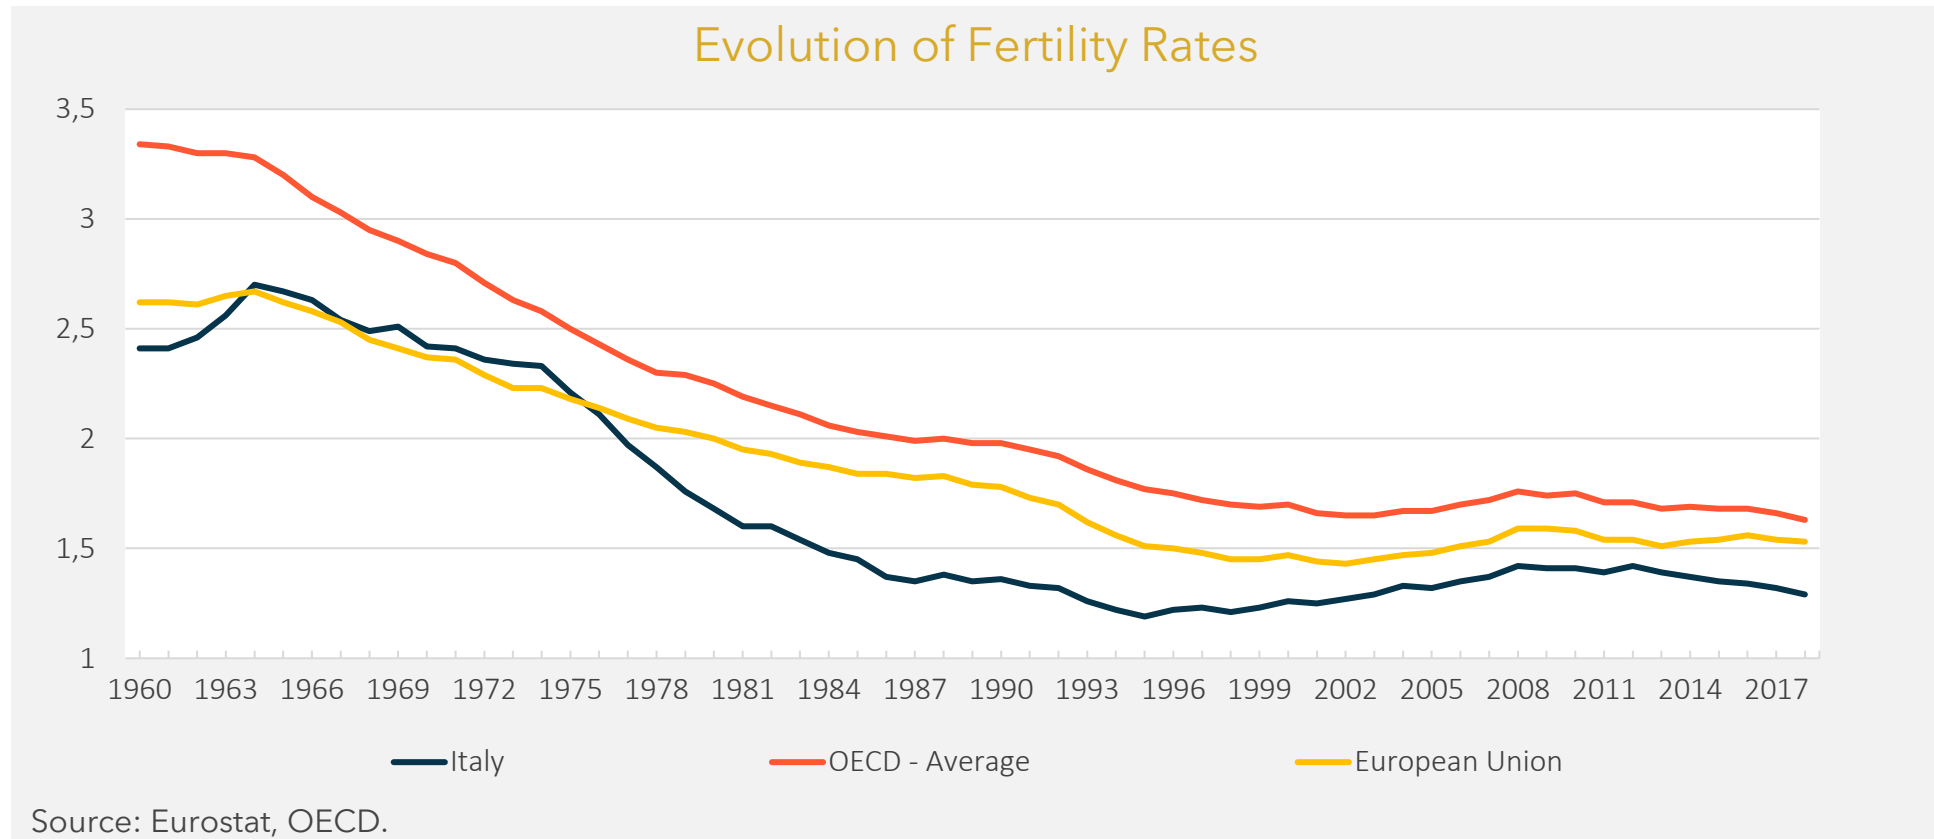

- Largest investment in Education (and 7th largest investment overall):
 - 4,6 billions in order to increase the availability of preschool facilities
 - 264.480 new positions: 2/3 in childcare facilities, 1/3 in kindergarten
- Goals (and intended benefits):
 - Increase availability of preschool services
 - Growth of birth rate
 - Female participation in the labor market

Nursery Plan - Background

European Council (2002) set a target of 33% in terms of coverage rate in childcare

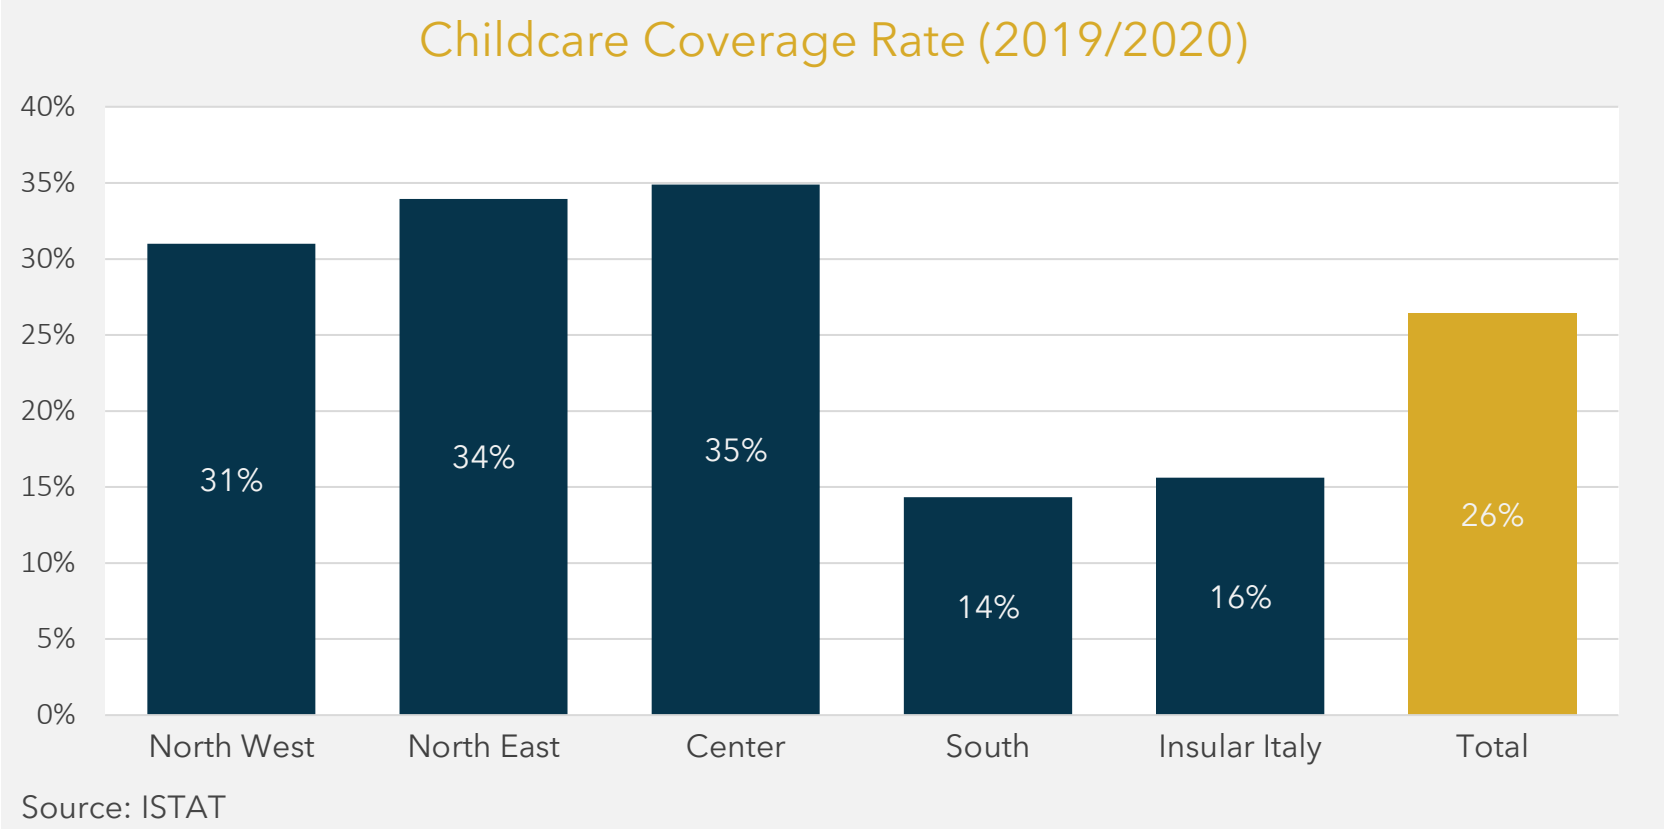

Nursery Plan - Background

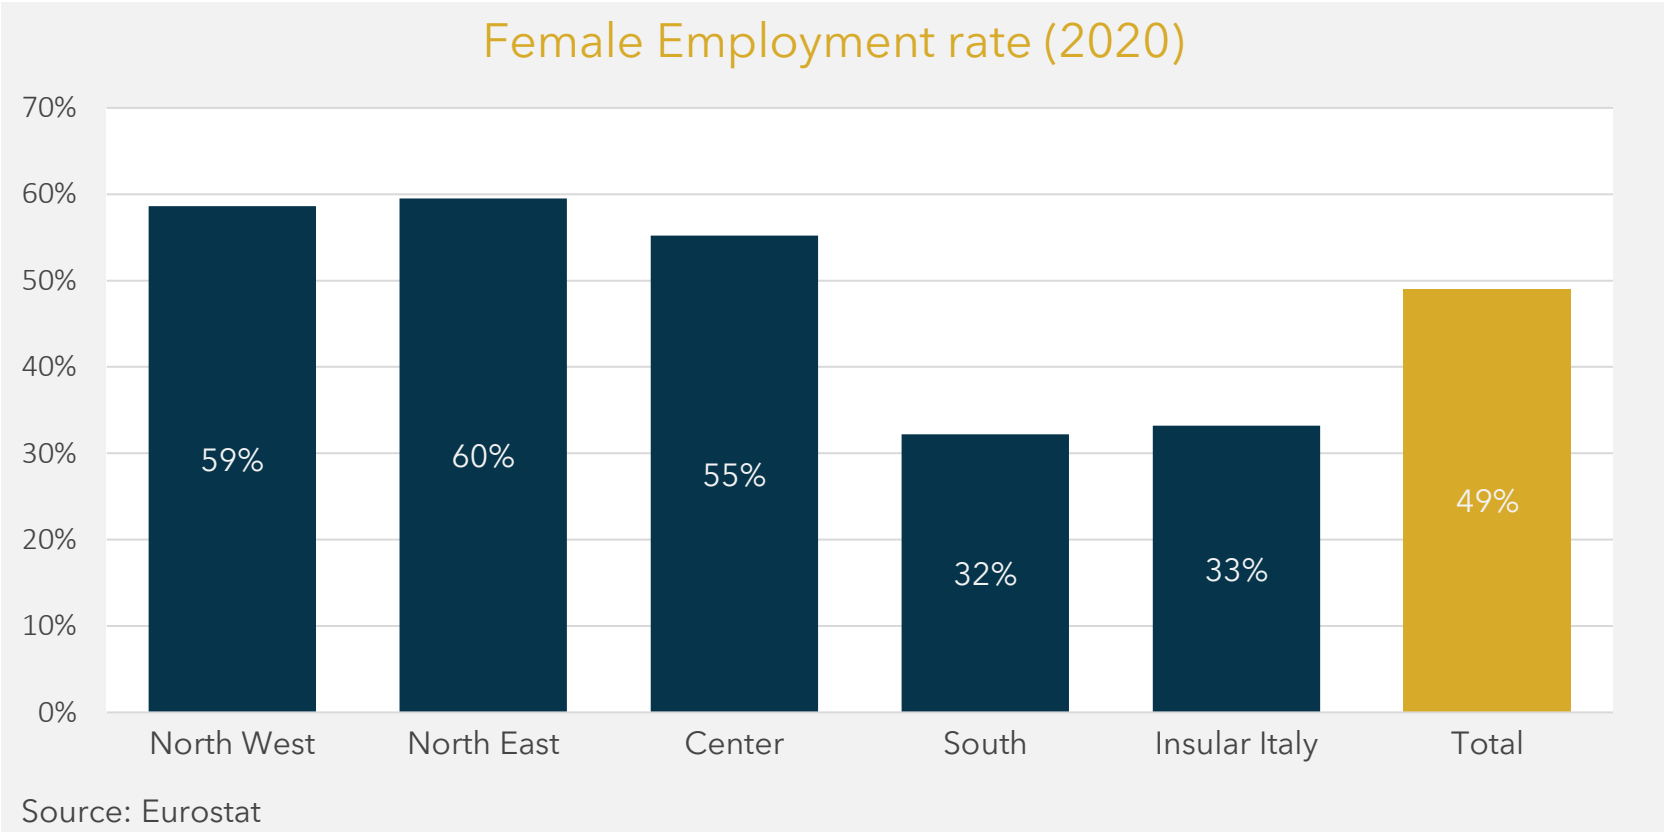

Nursery Plan - Timeline

- Two temporal requirements must be met:
 - i. Award the contracts for construction by **June 2023**
 - ii. Create at least 264.480 new positions in early childhood education by **December 2025**
- No additional requirement in order to address within country disparities

Nursery Plan - Current Differences
